Check up Angeles Group

This family benefit of preventive medicine serves as support for monitoring and medical control for a review that is more aligned with the characteristics of the employee or beneficiary, according to age and gender

- Complete Medical Assessment
- Laboratory Studies
- Radiology and Molecular Imaging

This Check Up option can only be applied at Grupo Angeles Hospitals (CDMX and Interior of the Republic).

Preventive Plan by Chopo

This check is ideal, as it is a package of laboratory studies that offers a complete blood count, a general urine test, and a comprehensive 45-element chemistry test.

These studies will allow your doctor to evaluate your state of health in a very detailed way, as well as give you the possibility of detecting certain diseases or diagnosing those already present.

Important considerations:

- Applies to any branch of Laboratorios El Chopo
- You have one year to check up (12/31/2023 to 12/31/2024), if you do NOT do it, you will NOT be able to use it later and it is NOT possible to make returns

Assistance Plan by Integra Salud

It is an innovative program that will provide immediate solutions to unforeseen events that may arise in people's daily lives.
