

Caring for Your Loved Ones Doesn't Have to be Stressful

Your Bright Horizons benefits include:

Back-Up Child, Adult, and Elder Care: Don't stress about school breaks, bad weather, caregiver vacations, or when your elder loved one is recovering from surgery. Reserve child care in a center, or in-home care for your child, adult, or elder relatives when and where they need it.

You receive 15 annual days of back-up care per year at a copay of \$15/child or \$25/family per day for center based care and \$6/hour for in-home child or adult/elder care. Reservations can be made one month in advance up to last minute.

Care for the Whole Family: Get free membership to a database, where you can find support that meets your ongoing care needs: nannies, sitters, elder caregivers, pet sitters, housekeepers, and more. Enjoy a jump ahead on the waitlist at select Bright Horizons centers for full time care, plus access to exclusive discounts on tuition at participating partner centers and discounts on tutoring and test prep services.
