Submit a request 24/7 online, through the app, or by calling 800-277-1032.*

2

Select the topic for which you want to request Care Specialist assistance.

3

We'll match you to a Care Specialist to get the guidance and support you need.

**You will need to complete your enrollment online before calling.*

Here are just a few of the many ways Care Specialists can help:

- Locate child care that meets your family's unique needs.
- Find housing and caregiving options for aging loved ones.
- Help with college planning and researching financial aid.
- Connect you to home improvement and repair professionals.
- Help you plan and prepare for a baby, wedding, move, or other major life event.
- Locate resources to assist with financial issues.
- Provide access to exclusive online discounts to save money on everyday needs.

Plus the Care website puts helpful information right at your fingertips, including quick tips, in-depth articles, monthly live Care Talks, on-demand webinars, downloadable guides and more.
