MALE IN WHITE SHIRT: When I walked into the grocery store and saw the team members and, and sort of that, that spirit of happiness, I immediately made a connection with, with the culture and wanted to be a part of Whole Foods Market.

00:00:18

FEMALE WITH SLEEVELESS BLACK SHIRT: You know, we are, we are a company built on mission and built on the substance behind that.

00:00:24

MALE IN LONG SLEEVE WHITE SHIRT: It's like no other company and the culture is just sort of fun and empowerment. It's nothing else I've ever experienced.

00:00:30

FEMALE WITH SLEEVELESS BLACK SHIRT: The timing of opportunity to connect what I personally love and am passionate about with my career is like a magical place for me.

00:00:41

FEMALE IN GREY HOODIE: It's a company that, you know, we just don't put our core values up on the wall. We actually live and breathe our core values and that's really important to us as a company.

00:00:49

FEMALE IN GREY JEANS: And, and sometimes you can't make big changes to the world but if you can make small changes within your environment, that's important.

00:00:56

FEMALE: If you see something and you're passionate about it, you can make it happen here and that's what's really amazing.

00:01:01

FEMALE IN BLUE DRESS: You have that opportunity to start something new.

00:01:04

MALE IN WHITE T SHIRT: That's where I feel the pull. That's where the core purpose of Whole Foods lies.

00:01:10

FEMALE: Just by doing the work you do everyday, you make so much good change in the world possible.

00:01:21

FEMALE IN GREY HOODIE: There is nothing like it or even close to it that I have experienced in any other company. It's a joyful place to work. We also do a lot of hard work but we do it in, in a really fun environment.

00:01:32

FEMALE IN GREEN SHIRT: You can't pick a better time to come and be a part of that in my mind because we're just getting started.

00:01:39

FEMALE: It's also really awesome to say, Yeah. I work for Whole Foods Market and have people go, Oh, my God. I've always wanted to work there. Tell me more about it.

00:01:46

MALE IN LONG SLEEVE WHITE SHIRT: All the stuff we do that makes the world better is what makes me wanna leave the car in the morning and go to the office.

00:01:53

FEMALE IN GREY JEANS: So I stay because I'm still in love. I am.
